Steve Melchior (left) and Brenda Treisch (right) board members of the Galion Alumni Association present a check to School Board President Dennis Long (center).

The Galion Alumni Association presented a check for \$1000.00 to the Galion City School Campus Wear Fund. This is the second year that a donation has been made to the fund which provides vouchers to those in need of aid in purchasing clothing that meets the requirements of the Campus Wear Policy. The Alumni Association board would like to thank the dues paying members for their continued support of the Association and the Galion Community.
