### 1966 GHS Graduate Dave Spraw Retires From Galion High School

After a long career at Galion High School, first as a student (1966 Graduate), then 37 years as a teacher, Dave has decided to end his career along with the old high school building.

The Alumni Association received the news of Dave's retirement along with a request to help celebrate the event by recognizing his years of service. Erin Spraw (class of 1992) has requested that anyone who remembers her dad, send him a card wishing him well, recalling fond memories or that long remembered humorous incident. All former and current students are encouraged to make this a memorable time for Dave. After all those years he deserves it. Please send your cards to:

Dave Spraw

189 Southern Ave.
