(All photos provided by Dick Cope)

The third annual alumni picnic was held at Heise Park on August 9, 2008. The attendees, though small in numbers, enjoyed a beautiful day. A picnic lunch was served beginning at 1:00 p.m. with musical entertainment provided by members of the Alumni Band.

The picnic was followed by a short annual business meeting at 2:00 p.m. where the updated Constitution and By-Laws were approved. This version of the Constitution and By-Laws will be posted to the Alumni Association website soon.

Steve Melchior hands out copies of the Revised Constitution and By-laws for review prior to a vote to accept the changes.

If any one has wondered who the face is behind the Galion Alumni Association website, this is the guy.
