Carol Kable to Write About Old GHS

Carol Kable is preparing an article for publication in a statewide newspaper/gazette and would like to use comments from students who attended the old Galion High School. Â She is inviting alumni or staff to send any positive memories or feelings about the old Galion High School to her for consideration for inclusion in the article. Â If you have a comment that you would like to contribute, please send it to Carol at cjkable@localnet.com Â or call her at 419-468-2944.
