The picture display for the inductees into the Galion High School Hall of Fame has been completed. It is located on the East Wall of the hallway outside the gymnasium leading to the Media Center.

The Galion Alumni Association promotes the Hall of Fame and requests nominations for persons thought to be worthy of recognition for their contributions in their chosen fields or to their communities. Though we solicit by mail each year for nominations for the current year, the Alumni Association will accept nominations through out the year. Nominees not selected during a current year are held in reserve for consideration during the selection process in following years.

Nomination forms can be found under the HOF menu and should be mailed to the Galion Alumni Association, PO Box 22, Galion, OH, 44833.
