Â Thank You for Your Support

The Galion Alumni Association would like to thank all those that came out to support Galion students at this year's Wine Tasting & Silent Auction Fundraiser. We had a wonderful turnout and enjoyed an evening of delicious foods cooked by Chef Michael Taylor of The Galion Country Club. Thank you to Paul Kanz and Connie Grosscup of Heidelberg Distributing Co. for providing the delicious selections of wine for the evening. We would like to thank LaMar Wyse for the musical entertainment. Thanks to all that came out to enjoy an evening of laughter and conversation with fellow supporters of Galion City Schools.Â

With your help we were able to donate \$1,500.00 to the Galion Campus Wear Fund. This fund helps families that need support in purchasing the required uniforms for students in grades 3 -12. We would like to also thank the following sponsors and donors for helping make this event possible.
