Wine Tasting & Silent Auction

Saturday, March 14, 2015

The Galion Alumni Association held a wine tasting and silent auction on Saturday, March 14 at the Galion Country Club. This year's event was well attended as word has gotten around of the social atmosphere and excellent food and wine pairings. We would like to thank those that provided sponsorship of the event that is intended to raise funds to help provide assistance to the Galion City School's Campus Wear Program.

Sponsor and Donor Board

Many thanks to all of those listed on the board above and to Mark Barrier and Chef Mike Taylor and their crew from the Galion Country Club, and to Paul Kanz and his crew from Heidelberg Distributing Company for making this year's effort a successful endeavor. A special shout out to Julie Boles, Karen Flowers, Sarah Wegesin, and Betsy Beaudet for their efforts of putting this event together and handling the ticket sales.

The Chocolates Table for those with a sweet tooth.

The pictures below are just some of the folks that were in attendance to have a good time and support the efforts to raise money for the Campus Wear Fund. We want to express our appreciation for their participation, support and generosity in making this event a success. We hope to see them all at next year's event.

Â

Â

This event is open to all that wish to attend.Â There is no requirement to be a graduate of the Galion City School District.Â It is intended as a Galion Alumni Association fund raiser to provide money for the Galion City School Campus Wear Fund.Â This fund is used to provide vouchers to those who can not afford clothing that meets the requirements of the school's dress code.Â This is just one of the projects supported by the Alumni Association.
